Aims, Outcomes & Objectives

Start date

End date

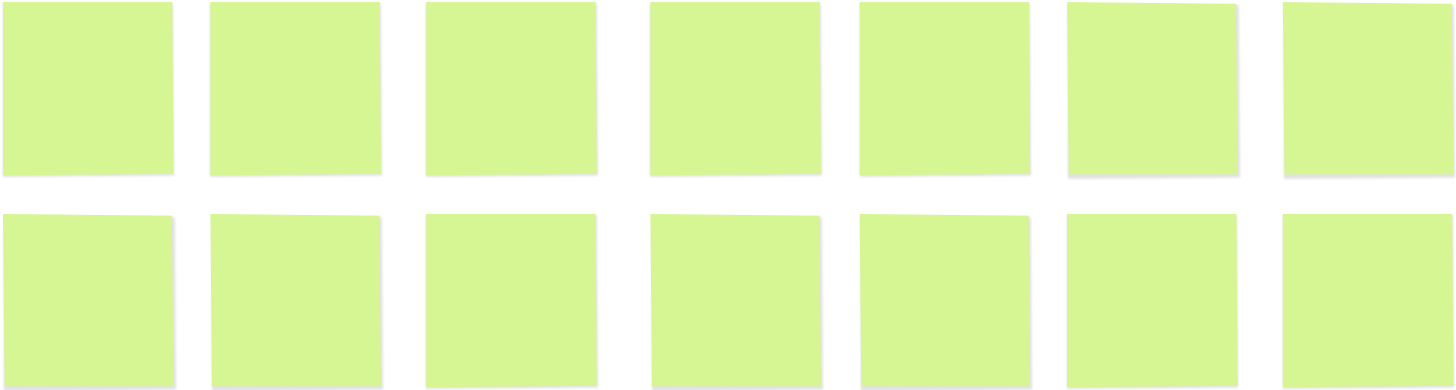

Why are we all here?

What interests you about the project?

What already exists related to climate action in your place?

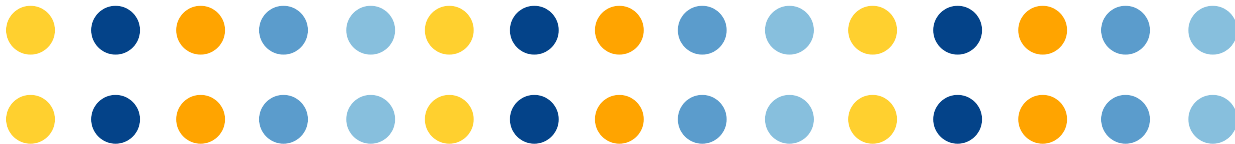

From initial conversations, the following have been suggested as opportunities for Climate Action in your place to potentially align with.

Any other suggestions? Add a post-it

Which opportunities would be best for this work to align with?

Take a dot and vote (2 per person)

Adjust dots depending on participant numbers

5 mins

Part 1 Who should be involved in community-led climate action in your place?

How should we engage with them? Add post-its and sort them into the correct zone.

How?

Make a Wish

Name one wish for the Climate Action Towns project you like to see achieved by XXXX.

Next Steps

Our next steps are:

- Issue an agreement
- Establish data sharing agreement
- Facilitate community involvement and communication

Thank you for joining today

Any questions?
