

# Professor Lundy's Voice Model For Participation

## Space

**HOW:** Provide a safe and inclusive space for children to express their views

- Have children's views been actively sought?
- Was there a safe space in which children can express themselves freely?
- Have steps been taken to ensure that all children can take part?

## Voice

**HOW:** Provide appropriate information and facilitate the expression of children's views

- Have children been given the information they need to form a view?
- Do children know that they do not have to take part?
- Have children been given a range of options as to how they might choose to express themselves?

## Audience

**HOW:** Ensure that children's views are communicated to someone with the responsibility to listen

- Is there a process for communicating children's views?
- Do children know who their views are being communicated to?
- Does that person/body have the power to make decisions?

## Influence

**HOW:** Ensure that children's views are taken seriously and acted upon, where appropriate

- Were the children's views considered by those with the power to effect change?
- Are there procedures in place that ensure that the children's views have been taken seriously?
- Have the children and young people been provided with feedback explaining the reasons for decisions taken?
