Housing delivery models now and in the future

If we believe intergenerational housing and places are a good thing.....

Are we clear what we are looking for

....and who we want to do it

....and how people are involved

Whats old?

- parameters
- priorities
- process
- product

Who leads?

- Big sticks
- The importance of small things
- Whole place approaches
- Crisis and planning
- Enablers and facilitators

Whose relationships?

- Youth loneliness
- Co-design low
- Technology gaps
- Learning progression
- Groups separated

Whose life?

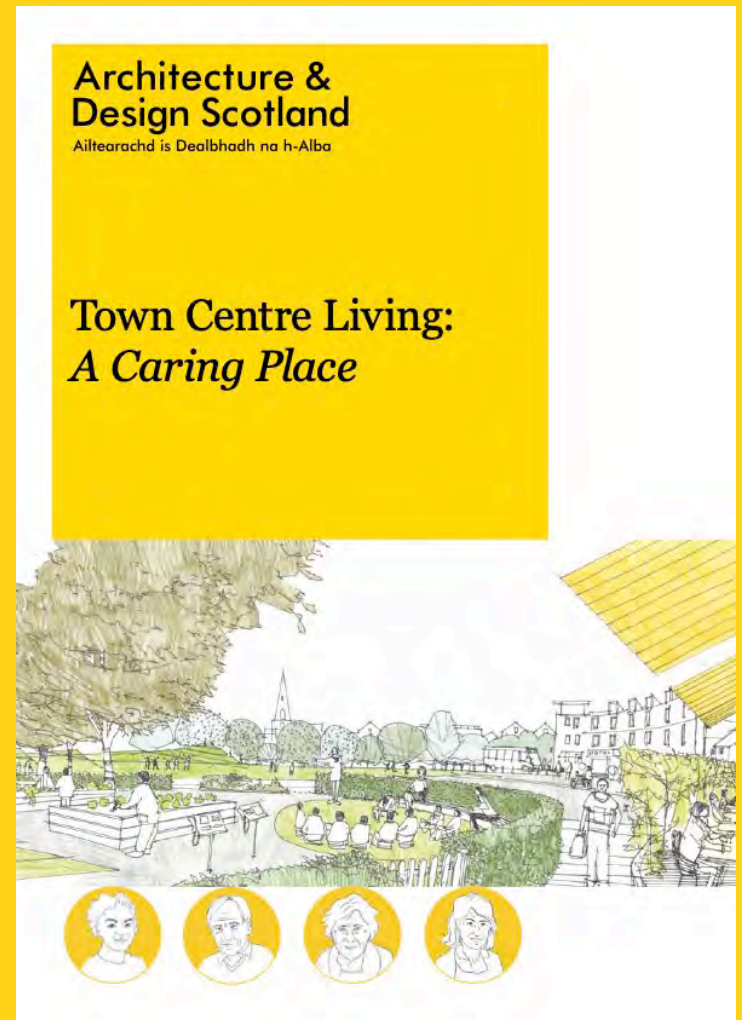

- Individualisation v commonalities
- Community led/brand/public
- Sustainability as desire
- Series of interactions

Plenary – key issues

- 1. Intergenerational living: is this a good thing?**
- 2. If relationships are that important, what are we doing to nurture and sustain them? Succession.**
- 3. Who should be doing this?**
- 4. Is this about design or services?**

Next steps

- **Sharing resources**
- **Project support**
- **Widening the conversation**
